

Korean Drug Eggs (마약계란)

Credit: Rice Sprinkles on Instagram

Time to prepare: 8 hours

Ingredients

- 12 eggs
- 3 green onions, chopped
- 3 cloves garlic, sliced
- 2-3 thai red chilis, sliced
- 2 tablespoons sesame seed
- $\frac{1}{2}$ cup soy sauce
- 1 tablespoon dark soy sauce
- $\frac{3}{4}$ cup water
- 1 tablespoon sesame oil

Preparation

1. Prepare an ice bath for the eggs.
2. Boil eggs to desired doneness – 6-7 minutes for soft boiled, 8 for medium.
3. Peel eggs once cooked and cooled in ice bath.
4. In a tupperware container, mix green onions, garlic, chilis, sesame seeds, soy sauces, water, and sesame oil to create marinade.
5. Add whole peeled eggs to marinade.
6. Place paper towel over eggs to keep them submerged in marinade.
7. Let eggs marinate for at least 8 hours overnight in fridge.
8. Enjoy as a snack with rice for a light meal.
